

VROA 2011 General Rules

A. General Rules:

1. The rules and/or regulations set forth in this book are designed to provide for the orderly conduct of racing events and to establish minimum acceptable requirements for all events. These rules shall govern the condition of all events, and by participants in these events. They are intended as a guide for the conduct of the sport and are in no way a guarantee against injury or death to any participant spectator or official. No express or implied warranty of safety shall result from publications of, or compliance of these rules and/or regulations.
2. All persons admitted to the pits and/or restricted areas of a Vintage Racing Organization of America (VROA) sanctioned event must obey all rules and regulations set forth by the VROA. Each person so admitted releases the VROA of any liability. Anyone bringing legal action against the VROA, its executives or any of its members will automatically forfeit their membership in the VROA for a minimum of ten years. They also give up any points, moneys and awards received to that date.
3. Drivers, car owners, mechanics and crew members shall have no claims against the VROA or its officials, agents, affiliates or race organizers, by reason of disqualification or damage of either personal injury or property.
4. The VROA reserves the right, in public image of the sport, to disapprove any advertising or sponsorship.
5. All drivers must have, after completing one race, a membership with the VROA. Drivers must be a minimum of 16 years old, with the consent of a parent/guardian.
6. The treasurer will assign all car numbers upon receipt of the membership fee. All previous competitors will have their previous year's number reserved.
7. All cars must have the sponsor decals placed on their car 1 ~ in the designated supplied with the decals or 2 ~ on the visible side of the car.
8. Each car / pit crew must have a 5lb. minimum fire extinguisher at their pit site, easily accessible at all times. (The tech officials would like them placed on the rear of each trailer)
9. Sponsor decal: They must be placed on every car for every race, in order for the car to race.
10. Decals must be placed in designated area on the visible side of the car.

B. Conduct Rules:

1. Participants in the VROA sanctioned events are to conduct themselves in an orderly manner not detrimental to auto racing. Complete attire, including shirt and shoes are mandatory at all times.
2. Verbal and/or physical abuse of a VROA official, agent, representative and/or use of improper language is strictly prohibited. Disorderly behavior at any event will subject offenders to suspension and/or fine, as decided by the Executive Committee. Drivers are responsible for the actions of their crew, only if present.
3. Any driver failing to attend a driver's meeting, unless specifically excused by the race director, will waive the right to protest at that event.
4. Possession and/or use of any intoxicant or controlled substance is prohibited before or during any VROA race event. Possession of and/or use of prescription drugs that affect ability to control oneself in a safe manner is also prohibited prior to or during any VROA race event. Violation of this regulation will cause the offender to be suspended from further participation immediately, and a possible fine.
5. The conduct of any participant during the course of any event that is deemed unsportsmanlike could be subject to loss of points and/or prize money and/or membership in the VROA.
6. USE OF RADIOS will NOT be allowed. (see track procedures)

C. Official Decisions:

1. The VROA reserves the right to determine and interpret the intent of all rules and a specification governing sanctioned events and their decision is final.
2. Any situation not specifically covered herein, will be acted upon by the race director and/or officials in charge and their decision is final.

D. VROA Membership:

1. To maintain membership in the VROA annual dues are required. These dues are due at the first membership meeting in January and cover the calendar year January 1, through December 31.
2. The amount of the dues are as follows:
 - a. General / Associate Membership dues\$ 25.00
 - b. Driver Membership dues\$ 50.00
 - c. Car Owner Member dues\$ 50.00
3. All drivers must have a paid membership to race with the VROA. A minimum of 50% of the dues must be paid before their first time racing.
4. Honorary members that hold a club office position will have their honorary dues paid by the club.

E. Voting:

Member Voting Rights – All members; drivers and owners and associate members can vote on issues related to the general operation of the VROA. However, only car owners may vote on issues related to safety and technical issues of the club. One car owner equals one vote on technical issues.

F. Track Procedures:

1. (All drivers must be equipped with a working one-way RACEciever type radio. Drivers are prohibited from using any two-way radio. Two-way radios may only be used by track officials, head tech official, pit directors and club officials.)
2. Working on a car during a race:
 - a. Red flag: no working on the car by anyone.
 - b. Green/yellow flag: Car may be worked on in the pits only
3. If you cause two cautions, you will be black flagged for that race. (or under the discretion of the track)
4. Original Start: In the case of an accident on the original start, there will be a complete restart. Restarts: All cars will be restarted in the position they were running on the lap prior to the caution. Cars involved in the accident will go to the back of the field.
5. Feature races will go with a whole field inversion. The feature winner will begin their next feature race behind the fast qualifier.
6. Qualifying: When prohibited from having time trials or the normal line up. Then line up will be done by driver points with full inversion. (this can be adapted as needed by the executive committee)
7. If a driver is not at their car, race ready, be the second call by the pit director they will be placed at the back of that race.
8. If a driver switches driving to a different car than which he/she qualified in, that car and driver must start the fast heat at the back of the lineup, behind the previous race feature winner and any volunteers that want to start at the rear of the lineup.
9. If a driver scratches his time they must start at the rear.
10. If there is a time difference of more than 1.5 seconds between the fastest and slowest cars, the slower car will be sent to the rear for race line up.

G. Time trial brake out rules

1. 1/4 Mile track is 3 Tenths
2. 3/8 Mile track is 4 Tenths
3. 1/2 Mile track and up is 5 Tenths

H. Inspection Procedures:

If a crew person goes on the track at any time during a race or caution period, you will be disqualified unless the race director grants permission.

NOTE: Track rules take precedence over VROA rules. Track rules that conflict with VROA rules will be noted during the drivers' meeting. Inspection Procedures

1. During Pre-Race Inspection all cars will be accompanied to the scales, or designated inspection area, by two crewmembers. Crewmembers will be responsible for pushing cars on/off the scales, or in/out of the inspection area. Crewmembers may be from any car or team.
2. During Post-Race Inspection of the tires, durometer readings will be taken as close to the exit of the track as is safe. The first three finishing drivers need to look for a Tech official indicating the Inspection area as they pull off the track at the end of the feature. This area will also be indicated during the drivers meeting.
3. Post-Race pumping of engines will take place in an enclosed area, either the VROA tech tent, an enclosed trailer, or a tech barn at the track. It is the responsibility of the car owner/driver to remove the valve cover, rocker arm, pushrod and sparkplug, side cover and install and remove the pump fitting in the spark plug hole. This can be done by an assigned crew member. At least one car will be pumped after each feature race at the head technician's discretion, conditions permitting. Only the car owner, (people authorized by the car owner), and tech officials will be permitted during the pumping of the engine.
4. Tech inspector's will be responsible to enforce the placement of sponsor decals on every car.

I. Protests:

1. A protest will only be accepted from a driver, or owner, of a car competing at that race event.
2. Scoring Protest: The scorers will determine the final positions in all events. Protests regarding finishes must be given in writing to the race director with a refundable fee of \$25.00. It must be handed in within 15 minutes of the posted finish. The \$25.00 will be refunded if the protest is upheld. Driveline protests will be handled in the same procedure.
3. Refusal to have a car checked when protested admits guilt. The driver will forfeit points, point and purse money, and all awards to date and will be suspended for one calendar year.
4. Cars must not be removed from track property until 15 minutes after the last race competed in unless permission from the race director and head tech is granted.

J. Point System:

1. **Appearance:** There will be 50 points awarded to each owner as appearance (or show up) points. The car must be race ready, at the track, at every point's race for the season.
 - a. In the event of a race cancellation before racing begins the Pit Director with input from the Executive Committee will determine who receives appearance points.
2. **Qualifying:** The points will be based on the number of cars qualifying on the night of racing. If we have 15 cars qualify, the fastest car will receive 15 points and so on down the line.
3. **Feature Points:** The winner of the feature will receive 50 points. Second place will receive 48 points. Third place will receive 46 points and so on.
4. **Heat Race Points:** The winner of each heat race will receive 5 points. Second place will receive 4 points. Third place will receive 3 points and so on to 5th place. Sixth place on will receive 0 points for the heat race.
5. **Owner & Driver Points:** Points will be maintained for both the car owner and each individual driver.

Example: 18 cars are present
